

STACKED WASHER EXTRACTOR / TUMBLE DRYER

SXHG-100FRT
20 lbs (10kg)

SXHG-150FRT
30 lbs (15kg)

Softmount Version

Great ROI with Installation Flexibility

- Heavy-Duty Industrial Softmount Structure
- Inverter Driven Reversing Drum (Dryer)
- 7" High Definition Touch Screen Controller
- Stainless Steel Front Panel and Washer/Dryer Drum
- USA Drain Valve and Ignition System
- Single Phase and Single Power Point Connection
- Multiple Payment Options**

At Oasis, we understand that the laundry business is not just about cleaning clothes; it is about serving people. We recognise the laundry industry as service-oriented, and satisfied customers are more likely to become loyal patrons of your store.

That is why Oasis Vended Laundry Solutions prioritises user comfort in our machines. Our goal is to provide an intuitive and seamless experience for your customers, making it easy for them to use our machines and enjoy their time at your establishment.

Simple and Convenient

Experience the ease of laundry with our user-friendly touchscreen interface, featuring clear prompts to guide both first-timers and experienced customers through every step of the process. No confusion, just clean clothes.

Choose from a variety of payment options and flexible pricing structures tailored to your laundry cycle preferences, making laundry day a breeze

Efficient

Engineered for maximum efficiency, our machines utilise quality components and an energy-saving inverter-driven motor. This results in significant reductions in both gas and electricity bills, all while ensuring prompt and thorough cleaning and drying cycles. With the potential for more cycles per day, you can increase sales and keep your customers satisfied.

Affordable

The Oasis Stacked Washer-Extractor/Dryer is designed for affordability. With competitive pricing and no compromise on performance, we strive to minimise entry costs while maximising your earning potential. This ensures a rapid return on investment for our valued partners.
